AMERICA RECYCLES DAY: Coming soon! How would you like for your old tires to help your garden grow, or your soda bottles to keep you cozy and warm? When you recycle these items they can be made into soaker hoses, carpeting and fleece jackets. On Friday, November 15, our nation will celebrate America Recycles Day (ARD). ARD is an annual nation-wide awareness event that encourages individuals to recycle and to buy recycled-content products. The theme of this year's celebration is "Make Every Day America Recycles Day." At the Kennedy Space Center, we want to sponsor a recycling roundup of items such as overhead transparencies and compact discs (CD's). These items were chosen because they do not require any additional containers, manpower, contract modifications or logistical planning. For the next few weeks leading up to November 15, please forward all of your overhead transparencies and compact discs to Mail Code: **TA-C3/Hines**. Please note that any CD's containing classified/sensitive information or re-usable software must be handled in accordance with standard procedures for classified documents. We are only collecting outdated and otherwise known as landfill-bound CD's. CD's that are outdated or no longer needed may be rendered unreadable by deep scratching the data side (the shiny side without the label) with a nail, screwdriver, or a similar sharp tool. Please ensure that you score your CD's before forwarding them to us. After November 15, these recyclable commodities will be shipped to the nearest recycling/reuse facility in our area. This activity will not only promote the objective of ARD, but it will also provide measurements of how many pounds of CD's and transparencies are diverted from the landfill. We need your participation to achieve the objective of **America Recycles Day 2002**. Support not only this recycling initiative, but also make your commitment to recycling by obtaining an America Recycles Day pledge card at www.americarecyclesday.org. Nationally, 6 individuals will be selected from all submitted pledge cards and the winners will receive a recycled-content prize package valued at more than \$2,000. Point of contact: Alice Smith, TA-C3, 867-8454. (TA-C3)

2002 AMERICA RECYCLES DAY FEDERAL POSTER CONTEST: America Recycles Day 2002 is approaching. Immediate family members of NASA and/or contractor employees are eligible to participate. This year's theme is: "Make Every Day America Recycles Day." Entries must be submitted to TA-C3 by November 12th. A certificate of participation will be awarded to all participants. If you are interested in participating in this contest, please contact Alice Smith at 867-8454 or email Alice.Smith-1@ksc.nasa.gov for contest details, forms and rules. Point of contact: Alice Smith, TA-C3, 867-8454. (TA-C3)
